CHICAGO HOME EDUCATORS' SUMMIT

IS BROKEN— YET WORKING JUST AS INTENDED, SO WE'LL TAKE IT FROM HERE!

Did you know only 21% of Chicago's Black students are reading at grade level and just 9% are proficient in math? Government schools are failing our children—Enough is enough!

This is why parents must have access to unconventional educational options.

CHES 2025 serves as a catalyst to empower YOU to take control of YOUR child's education! Join us!

OUR CHILDREN DESERVES BETTER!
